PROJECTS

Portfolio ✍

Created **my portfolio** Using **HTML**, **CSS**, **Bootstrap** and features a modern design, showcasing my education, skills, and past projects with a responsive layout and contact form for easy communication.

Weather App Using React ✍

I developed a simple application using **React** that tells the temperature of different cities.

Javascript Game

In this project, I used knowledge of **JavaScript** and the **DOM** to complete **Chore Door**, a single-page interactive game built with JavaScript.

DECLARATION

I hereby declare that the above mentioned information is correct up to my knowledge & I bear the responsibility for the correctness of the above mentioned particulars.
